Hi Paul,

to eliminate any further confusion, do you have a contact number for Mr. Sweeten? I'd like to simply pass that number to our City Attorney representative so we can get everything clarified as soon as possible. Or if you could simply send that to David Michelson, that would also work.

This is from Garry Sweeten at FHA received yesterday...

"Paul: I misspoke last week. I was under the impression that the earmark was identified for a particular sponsor. After checking with our Finance staff this morning and again reviewing the earmark, it only identifies a specific project description and does not identify a particular sponsor. Our Finance Manager stated that we would review the project only to assure that the authorization we receive is for the project that was described in the legislation. I am sorry that I gave you bad information on Thursday. "
